

Our 24th annual recital is well on its way and we've been diligently planning on an exciting end to our eventful year!

Please make sure that you stay well informed by thoroughly reading all SADS newsletters and handouts.

TUITION

Monthly tuition is due the first week of March. If your payment is received after the first week, your account will be charged with a \$25.00 late fee.

COSTUMES

Costumes are arriving daily and once assorted; they will be handed out in class. Your child will NOT be able to take home his/her costume(s) if your balance is not paid.

Costume Care:

1. Please put your child's name on all pieces of the costume.
2. Once received, please have your child try on all costumes. If any alterations are needed, please do the necessary for your child's comfort.
3. Should you have any questions on accessory placement, do not hesitate to ask your child's instructor.

ATTENDANCE

The recital is quickly approaching and we still have to complete and polish routines.

Please strive to have great attendance from now until show time. This will allow the class to move forward and choreography will not have to be re-taught each week if all students are present.

If you are unable to attend your classes, please contact the studio.
